

Single-use Water Bottles

2019/02

Policy Origin: **Students**

Approved by:

Guild Summit – 3rd December 2019

Board of Trustees – 12th December 2019

Expiry:

December 2022

The Guild resolves:

1. The Guild should stop selling single use water bottles.
2. The Guild should lobby the University to reduce their environmental impact, including to stop selling single use water bottles.
3. The Guild should lobby the University for more water fountains, with better accessibility, lower carbon footprint and better quality water.
